**“HB477 will soon be law.

**A Sunshine Week event**

**March 16, 7 p.m. City  
Library, Lower level,

Join like-minded citizens who abhor HB477 and get educated about the bill and GRAMA.

Hear from speakers about the ethical ramifications, what the entire nation is saying about Utah (it's not complimentary).

Learn from Jeff Hunt, one of the framers of GRAMA, why it doesn't need to be fixed to protect your privacy and the privacy of your legislators.

Get a breakdown of the actual impact HB477 will have on your life.

Then get organized. Strategize with other individuals and groups about what to do from here to lay this bill to rest.
